Mamun’s Makeover & Makeup Academy:

Mamun’s Makeover & Makeup Academy has become a growing centre for beauty and makeup training in Odisha. With the rising demand for skilled makeup artists, the academy provides structured learning that blends theory with hands-on practice. Students receive training in bridal makeup, HD techniques, airbrush application, skin preparation, hygiene, and basic hairstyling—skills essential for modern beauty professionals.

Industry Importance

The academy supports learners aiming for careers in freelance makeup artistry, bridal services, salons, and commercial work. By guiding students through real-world practice and portfolio building, it contributes to the local skill ecosystem and supports professional growth in the beauty sector.
